June 16, 2009

Bike-Ped Coordinator

The City's new Bike-Ped Coordinator introduced himself and described his background. He recently lived in Redmond, OR and has done golf course design. Kathryn Miller is his boss. She will be directing his work, which will focus on a bicycling priority list that SVR Consultants developed after reviewing the Master Bike Plan. The BAB members told Grant of our bike-related interests and prior efforts.

Bike Coalition

The next meeting is scheduled for June 23 at Mountain Gear.

Board Vacancies

A discussion centered on the attributes desired in Board members: Northside, female, cyclist, willing to work, connections to community, economic development. There are three current applicants. Bob will ask them to attend the next Board meeting.

Future

Bob asked the question: Where do we go from here? What are the Board's priorities after the Master Bike Plan has been approved and a Bike-Ped Coordinator hired?
